Thakur

Professional Skills

- EXPERIENCED : C++, React.js, Node.js, Express.js, MongoDB
- FAMILIAR: PYTHON, SQL, Postman

RELEVANT COURSEWORK

- Data Structure And Algorithm (DSA)
- Object-Oriented Programming(OOPs)
- Database Management System (DBMS)
- Operating System (OS)

ACHIEVEMENTS

- Achieved a 3-star rating with a score of 1687 on CodeChef.
- Successfully solved over 1500 problems across various coding platforms.
- Received the Annual Badge on LeetCode in 2023. • Earned the 5th May badge on LeetCode in 2023.

PROJECTS

URL SHORTENER

- Developed a URL shortener utilizing the MERN Stack, enhancing link sharing efficiency. Delivered an efficient, scalable, and user-friendly solution.

- Tech Stack: Node.js, Express.js, MongoDB.

🐙 GitHub **Repository**

CHAT APP

- Developed a real-time chat application using React for the front-end, Node.js and Express for the back-end, and Socket.io for seamless bi-directional event-based communication. Supports both one-to-one private conversations and many-to-many group chats.

- Tech Stack: React.js, Node.js, Express, Socket.io, MongoDB

🐙 GitHub **Repository**

GENLETTER

- Genletter is a MERN stack website where an authenticated (Google OAuth) user can generate any type of letter whether it can be an offer letter, internship letter etc. They can also generate a single and multi-column ATS friendly resume for them, and can edit those in future.

- Tech Stack: React.js, Node.js, Express, MongoDB.

🐙 GitHub **Repository**

POSITIONS OF RESPONSIBILITY

- Served as the Captain of the IIIT-A Volleyball Team during the 2022 half-season.

- Appointed as the Head of the Filming Department for APK'23.

EXTRA-CURRICULAR

- Represented IIITA in Volleyball tournament, in Udghosh Annual Sports Fest, 2022 at IIT Kanpur.

- I have My Own YouTube channel on which approx i have 1.6k subscribers.
